Answer key

My pet

The name of my pet cat is Daisy. She is very cute. Its color is white and has brown patches on its legs. It has two bright blue eyes and a long bushy tail. She likes to eat fish and meat, and drink milk. She runs very fast and can climb trees easily. It enjoys playing. I play with daisy in my free time. It loves to sit in my lap. I like daisy because she is very innocent and she is very smart. She never forgets whatever I teach her. I love daisy so much.
